## I Can Write a Sentence!

This publication has been written to provide young children with the opportunity to experiment with words and how they are used to make sentences. Children:

1. read the sentence.
2. find the corresponding sentence strip at the bottom of the page.

3. cut out the words from the sentence strip and paste them in the correct order, in the space under the lines.
4. copy the words on the lines.
5. draw a picture to match their work on the back of the page, and most importantly,
6. have fun!
