

Rebecca Lilly

Level Six - I Can Write a Sentence!

Welcome to Rebecca Lilly – Level Six – I Can Write a Sentence!

This publication has been written to provide young children with the opportunity to practise writing sentences, and putting sentences back together. Children:

1. copy the sentence onto the lines.
2. find the corresponding sentence strip at the bottom of the page.

3. cut out the words from the sentence strip and paste them in the correct order, in the space under the lines.
4. draw a picture to match their work in the space left over.

To challenge children, encourage them to write their own sentences about the story. Have fun!
