Through the BORN2READ® Kindy Kids Experience, children:

- are **engaged** in reading as they relate to the BORN2READ® characters;
- are **active learners** as they dramatize the storyline;
- **engage** in the reading process through experiencing text that is repetitive or includes rhyme, making it easier for them to join in with reading;
- **experience reading** with the support and guidance of their teachers and parents, as they learn valuable pre-reading skills;
- **make connections** between their life and what is happening in the text (see over for just a few connections and suggestions); and
- have the opportunity to **engage in communication** with their teachers, through the discussion of the characters and the life-like events these characters enjoy!

BORN2READ® was established in 2006, by Katrina Casey (MEd, BEd, Dip T), with the help and influence of many dedicated early childhood teachers and the children they have taught! The BORN2READ® Kindy Kids Collection is the beginning step of our BORN2READ® Reading Experience.

Children can engage in the BORN2READ® experience through the purchase of a Yearly BORN2READ® Online Membership, for just \$295.00 (plus gst). This membership gives access to over 100 online e-books especially for Kindy Kids. A membership will also provide access to the complete range of BORN2READ e-books, perfect for children involved in before and after school care who are looking for something to read online.

Please visit our website for more information and to purchase memberships: www.born2read.com.au

Printed books copies of each reader are also available. Please contact us for more information on the costs of printed resources.

This is what some parents and teachers have to say about BORN2READ®

*Your team does amazing work :) it's great to see
Parent Pre-Prep Child*

*My four year old is reading! He loves Miss Katrina and can't wait to get to his B2R
class each week!
Jodie - parent*

*Our son Xavier has really enjoyed this year. He has developed a love for reading and
progressed far beyond our expectations with the born2read program. He loves the
characters, especially Freddy and Toad.
Michelle - Kindy Parent*

*I love Born2Read, your idea is fantastic. I've been using it all term and my readers who
struggle really feel empowered as they read/learn the sight words and then find them in
the books. Their confidence has risen in 8 weeks.*

Thanks very much Katrina.

Kind Regards,

Thérèse (Prep Teacher)
